URBAN LANDSCAPES

At Urban Landscapes, we pride ourselves on delivering premium landscape solutions to clients across Dubai and the UAE.

Passion for the design and build of inspiring outdoor spaces, and commitment towards delivering extraordinary experiences to our customers are at the heart of who we are, and what we do.

Our extensive portfolio demonstrates our ability to work with a variety of projects, whilst creating beautiful yet functional outdoor living spaces. We deliver on all scales of projects, from intimate family homes to commercial towers and resorts.

SCOPE: DESIGN AND CONSTRUCTION

A photograph of a luxurious villa with a large pond and manicured garden. The villa is a two-story building with a light-colored facade, arched windows, and a balcony. It is surrounded by a well-maintained garden with a large pond, palm trees, and various plants. The scene is captured during the day with soft lighting.

PROJECT: NAS VILLA
LOCATION: NAD AL SHEBA 2
